

Please join us
as a Sponsor
of the 2024 NCLD Annual Benefit!

December 5, 2024

6pm-9pm

Bryant Park Grill

Dear Friend of NCLD,

As we embark on another exciting year at the National Center for Learning Disabilities (NCLD), I want to extend my heartfelt gratitude to all those who have supported our work to date and extend an invitation to all of those who have yet to join to consider including NCLD in you or your company's giving this year. For more than 45 years, NCLD has worked tirelessly to create accessible and inclusive experiences for those hidden in plain sight for generations. Thanks to the generous contributions of our supporters, we have been able to advocate for and support students with learning disabilities, their families, and their educators.

Our annual benefit celebrates the incredible fortitude of people with learning disabilities alongside the champions of our cause. The funds raised at this event have been instrumental in positioning NCLD as a leader in the disability movement, enabling us to develop innovative programs and advocacy efforts that make a tangible difference. **This year, we are thrilled to invite you to join us as a sponsor for our Annual Benefit on December 5, 2024, at the Bryant Park Grill in New York City, New York.** This event not only honors the achievements of those with learning disabilities but also serves as a cornerstone of funding for future initiatives.

Reflecting on the past year, we have intentionally focused on expanding our impact through several key initiatives. We will be conducting two nationally representative surveys of young adults with learning disabilities and two similar surveys of educators regarding learning disabilities. These surveys will help us gain deeper insights and inform our strategies, and contribute valuable knowledge to the field. Furthermore, in our efforts to support young adults as they transition from postsecondary education into the workforce, we are developing new programs that extend our impact beyond the K-12 age group.

These initiatives are just the beginning of our ambitious plans to transform the landscape for individuals with learning disabilities. We look forward to celebrating with you on December 5th and sharing more about our impactful work.

With gratitude,

Jacqueline A. Rodriguez

Join 200 leaders, volunteers, and friends of the National Center for Learning Disabilities for the 2024 NCLD Benefit—a celebration to raise funds that will help create a world with unrestricted access and unlimited opportunity for people with learning and attention disabilities and differences (LADD).

Your sponsorship will:

Align your company's name

with the crucial cause of supporting people with learning and attention disabilities and differences.

Boost your company's reputation

as a charitable leader.

Foster relationships

with key leaders locally and nationally.

Ignite change as a \$100,000 **Champion Sponsor**

We invite you to be a beacon of transformation and change by becoming a \$100,000 CHAMPION sponsor. Your support at this exhilarating sponsorship level comes with a host of exceptional benefits.

• **32 Premier Tickets***

Immerse yourself in our mission for the evening

• **Prominent Recognition**

Elevate your presence across written and promotional materials as a presenting sponsor

• **Digital Showcase**

Feature your logo or name on NCLD's website

• **Reach and Impact**

Engage our community through social media and newsletter features

• **Executive Welcome**

On-stage welcome from your company

• **Empower Leaders**

Fuel our Young Adult Leadership Council and be showcased at their welcome event

• **Commemorative Presence**

Your logo and/or name will shine in all post-benefit videos, photos and other materials

Step into leadership as a \$50,000 **Leader Sponsor**

Empower the voices that drive change – our Young Adult Leaders – by becoming a \$50,000 LEADER sponsor. Your support ignites powerful benefits:

• **32 Gala Tickets**

Immerse yourself in our mission at the impactful benefit benefit

• **Prominent Recognition**
